GLOBAL FINANCIAL CENTRES
Linking African opportunities with international capital

6

BUSINESS CLUSTERS
Spanning Financial Services, Energy, Engineering, Infrastructure, Media & Urban Development

MISSION

To systematically integrate African economies with global financial centres by unlocking high-growth opportunities, building scalable new markets, and managing holdings that drive sustainable economic expansion and deliver measurable community impact.

VISION

By connecting capital to emerging markets across natural resources, financial services, and innovation to lead Africa's sustainable economic growth.

PURPOSE

Connect: patient capital with transformative opportunities.
Create: new markets where most see high risk and low value.
Grow: sustainability and inclusion as key assets for a just and thriving society.

CLUSTERS AT A GLANCE
